

HUNTING CLINICS

With one of the World's best Cross Country Rider's

The Taylor Family

Washbrook Farm, Welsh Road, Aston le Walls, NN11 6RT

Friday 6th November

Sunday 22nd November

A chance to brush up on your hunting skills. Helping you get back in the saddle and revise the cross country riding skills you need to be safe and have fun this season. Be taught by international event riders Neil and Grace Taylor, both have experience with hunting, teaching and even more experience at going cross country on horseback safely. Like their father, they have competed at the top level for many years and keen to pass on their wealth of experience.

This hunting clinic is great for everyone; new combinations, experienced riders and horses, and first-time hunters.

Format of the day:

- 10.30am Meet at Washbrook Farm, parking will be clearly signposted. To be mounted ready to ride for 10.30am kick off. Starting in the all-weather arena, helping get your eye back into take offs and landings.
- 12.00pm A break for horse and rider. Please bring lunch with you and water/hay for your horse.
- 1.00pm Back on board. Practice on grass over hunting fences and getting used to riding as part of a field
- 2.30pm Finish and home

Please bring plenty of provisions for you and the horse.

Courses are kept strictly in line with Covid rules with a maximum of 5 people in each group. We have space for 10 people per day in 2 groups.

Cap: £60 for one day or £100 each if more than one course is booked per person. Includes; tuition and course hire.
